MISS PARSON AND MR. WILSON MAR-RIED TODAY.

THE WORLD OF SOCIETY

Brilliant Reception Follows Ceremony-Other Weddings-Comings and Goings-Personal Notes.

The marriage of Miss Beulah Parson,

daughter of the late John T. Parson, and Mr. Samuel Channing Wilson, son of Mr. and Mrs. Jesse B. Wilson, at noon today, was an interesting event, at which a large number of relatives looked on with pleasure and shared in the happiness of the young couple, both of whom have so many friends in this city. Rev. Herbert Scott Smith performed the ceremony in the drawing room of the home of the bride's mother, Mrs. Mary E. Parson, 1731 R street. The couple faced the bay window alcove, which was transformed into a bower by a background of palms and foliage plants and chrysanthemum blooms. Mr. Harry O. Wilson attended his brother as best man, and the bride was escorted by her brother, Prof. John T. Parson of Cornell University. The handsome bride was most effectively gowned in tucked white crepe de chine, the lower half of the skirt and most of the bodice and sleeves being covered with point lace. Around the skirt the lace flounce overlaid a deep ruffle of chiffon, which material appeared also on the bodice. A tulle vell was worn, and a shawer bougest of bride recognized shower bouquet of bride roses was carried. Mrs. Parson wore an elegant toilette of black point de soie, trimmed with duchesse

CHRISTIAN ENDEAVOR UNION. Topic Discussed at Monthly Meeting Held Last Night. "Setting our members at work" was the

general topic considered at the monthly meeting of the Christian Endeavor Union of the District, held last evening at the First Congregational Church. Addresses were made by Miss Florence Ball of Mount Vernon Place Methodist Episcopal Church, Mr. H. Clyde Grimes of Congress Street Methodist Protestant Church, Dr. F. A. Swartwout of Calvary Baptist Church, and Mr. A. E. Ingram, the union's missionary super

An open parliament was conducted by Mr. Fred. F. Reisner of Gurley Memorial Presbyterian Church. A solo was sung by Miss Cromwell. The union expects to hold a convention or special mass meeting of some kind early next year, at which Rev. Clarence E. Eberman, field secretary of the United Society of Christian Endeavor, will be present.

gram of Music. The first fall meeting of the Men's Club of Mount Pleasant Congregational Church -a feature of the fifteenth anniversary exercises of the church-was held last night and was made memorable by a colloquial description of the Haltian army by Mr. Thomas C. Noyes. During the evening the following officers were elected: President, H. L. West; first vice president, Dr. Chas. L. Bliss; second vice president, John B. Sieman, jr.; third vice president, Charles S. Clark; recording secretary, William H. Morse; corresponding secretary, Hubert E. Peck; treasurer, John R. Eddy.

Address by Mr. Thomas C. Noyes-Pro-

The reports of the officers were presented, which showed the club to be in a very flourishing condition.

The organization has been addressed since its formation at intervals by Senator Lodge, Representative Roberts, Dr. Aziel Ames, Major Horace L. Piper, Mr. W. E. Curtis, Mr. H. L. West and Mr. Frank G. Carpenter, and music has been furnished by the Y. M. C. A. Orchestra, Dr. Charles L. Bliss, Mr Fank P. Reeside, Mr. C. H. Henney, Mr. Richardson, Mr. Philip Garry, Mr. A. Roy Israel, Mrs. A. D. The amount of money raised by the club has been nearly \$450, it was reported, and the average attendance at its sessions has been more than one hundred men. The membership now numbers 120.

Mr. Noyes' address included a general review of his observations on a recent trip to most of the United States, particularly St. Thomas and Haiti. In the course of a historical sketch of Haiti the speaker gave a description of the national army, which was particularly amusing. The troops—a happy, go-lucky aggregation of careless, lazy men—could be found most of the time on the smoothly-worn benches of the public plazas, he said. A hundred real soldiers could disperse the entire organization at any time. The men were at perfect liberty to do as they pleased. The only real restriction was that the enlisted men should not sleep on the car tracks, as they thereby delayed traffic. Otherwise the guardsmen spent their time as fancy dictated.

their time as fancy dictated.

The equipment consisted of antiquated guns of the style and pattern of 1860, a rusted and dilapidated specimen of weapon, no two of which apparently conformed to the same gauge. From morning until night the men lined the benches in the plaza smoking contentedly and playing cards. A roll call was had three times a day. The officers marched through the city, and wherever a group of men was encountered the soldlers would fall in, some with guns and some without, answer to their names and resume their games. The officers would then proceed to look for another squad. Mr. Noyes dwelt also on the possibility of annexing the Island of St. Thomas to the United States and said the majority of the rusted and dilapidated specimen of weapon, United States and said the majority of the people of that possession desired to become citizens of this country.

A program of musical numbers included a violin solo by Mr. Joseph Finckel and a baritone solo by Mr. Jasper Dean McFall.

Protest From German Students. A dispatch from Berlin says: The students of the University of Greifswald have sent to the other universities the resolutions recently adopted by them in denunciation of the allegedly offensive reference to the conduct of the German troops in 1870, made by Mr. Chamberlain, the British colonial secretary. They ask the co-operation of the other universities in their

rebuke.
The Berlin branch of the Society of Gernan Students has telegraphed to the Greifswald students congratulations upon their protest against "an insult to our valorous and glory-crowned army."
